2017 Allure de Robles Rhône Style Red Wine

APPELLATION	Paso Robles
GRAPE VARIETIES	Made predominantly from Grenache and Syrah, and like a true Rhône wine, blended with up to six other grape varieties.
ALCOHOL	15.4%
VINIFICATION	The grapes were cold soaked 3 to 7 days, with extended skin contact up to 5 weeks, and then gently pressed. The different varieties were co-fermented to increase flavor and complexity. The wine was aged in a combination of 25% new American oak barrels, 160-gallon Demi-Muid barrels and 3000-gallon French oak tanks to greater develop the wine.
TASTING	Our new 2017 vintage is a full-bodied wine loaded with rich, ripe fruit in the mid-pallet and a long, lingering finish. The 2017 vintage is not as tannic as past vintages but has more elegance, structure and finesse. Like all vintages of Allure de Robles, it will pair beautifully with a variety of cuisine.
